## Pricing Guide

### *Ceremony Only Options*

Ceremony only packages are available during high season from 11am to 1.30pm. Packages can include ceremony site hire only or extend to post ceremony canapés and beverages as well as honeymoon accommodation packages. Just let us know what you would like and we'll be happy to advise you of prices.

Extended time frames may be available in off peak months.

### *Wedding Receptions*

*(including or excluding ceremony)*

One of the key considerations when planning your special day will be your budget. You may be paying for your wedding yourself or you may have family contributing financially to certain areas of your wedding. Either way, your wedding reception is generally one of the most important elements of your wedding experience and as it includes your catering, beverages and venue hire, usually requires the greatest share of your budget.

Some wedding venues require you to have a minimum number of guests which can change the way you want to do things on your big day. After talking to many bride and grooms- to-be, we

have found that the best way to give our customers the freedom to design their wedding day the way they want, is to simply advise what the overall minimum spend amount is and then leave it to them to decide how they allocate their budget.

***Freedom for you to decide, after all, it's your wedding!***

### **Public Holidays**

A surcharge of 15% on the final invoice applies to weddings held on public holidays. A fee of \$700 applies to weddings held the day before a public holiday if the venue is used past 11.30pm.

### **Bond**

To secure your date, a signed copy of the preliminary details and the terms and conditions plus a bond of \$2,000.00 is required.

### ***Wedding Calculator***

Our Wedding Calculator Guide follows. If you are viewing this wedding pack electronically, you can also use our handy calculator guide which enables you to enter your guest numbers and preferred selections and it will then calculate your total so that you can check things against the minimum spend amounts if applicable.

**(Electronic copies of this wedding pack are available online at [www.castaways.co.nz](http://www.castaways.co.nz)).**

**Please note that all charges are GST inclusive and are subject to change until your wedding confirmation and agreement day, normally 3 months prior to your wedding day.**
